SUMMER JAM 2022 | CRAFTS

TODAY'S BIBLE STORY

Creation
Genesis 1 & 2

TODAY'S BOTTOM LINE

God made people
with a purpose.

KEY QUESTION

What do you enjoy doing?

MEMORY VERSE

"Whoever believes in me . . .
rivers of living water will flow
from within them."
John 7:38, NIV

BASIC TRUTH

I can trust God no matter what.

SANDY HANDS

WHAT YOU NEED: seashells, parchment paper, small rolling pins, Air Dry dough, sand

SUMMER JAM 2022 | SNACKS

OCEAN PUDDING CUPS

WHAT YOU NEED: small, clear punch cups filled with the following; blue pudding, graham cracker crumble, gummy candies and one empty cup.

WHAT YOU DO:

- Give each child a plate with a cup with blue pudding, cookie crumble and gummy candy.
- Lead the kids to put two spoon fulls of blue pudding in the bottom of their empty cup.
- Then, lead them to sprinkle one spoon full of cookie crumble, then repeat one more time with the pudding and the crumble
- Have a few leaders come around and put a small amount of whipped cream on top as the "white caps"
- Last, they can put their gummy candies on top.
- Eat and enjoy!

WHAT YOU SAY:

"Your pudding cups look delicious. Where does sand come from? Sand forms when rocks break down. But did you know that sand can also come from parrotfish poop? It's true! Because parrotfish eat algae off of rock surfaces, they ingest little bits of rock with each bite. Those small bits of rock go through their bodies and come out as sand!

"In one year, one large parrotfish can produce one thousand pounds of sand. That's how much an average grand piano weighs! There are so many amazing creatures in the ocean. Each one was made by God with a purpose! God doesn't create anything by accident. Everything He makes, He makes with care and attention and purpose. **God made people with a purpose.**"
